Summer Camp 2009

Our summer camp runs 10 weeks from June 8<sup>th</sup>- August 14<sup>th</sup>. We are open from 7:00 a.m. until 6:00 p.m. Monday through Friday. Our summer is filled with a lot of fun and exciting themes with a concentration of different countries and traditions throughout. Each week includes cooking projects, art, sports activities and field trips. All of our outside field trips are walking field trips. Our indoor field trips consist of vendors coming to the center and entertaining and educating the children. We will also work with the Bay Library with their summer reading program!

We will be having clubs for an hour on Mondays! Each child needs to pick one club if they are here on Mondays. Your children may choose Webkin's Club, Lego Club, Fiber Arts Club (sewing, weaving etc) or Science Club. In addition, each Friday the children will reflect and write about the weeks events and create a newsletter for parents.

This year we will only walk to Bay Pool for A.M. swimming lessons for one session. If you want to sign up your children for swimming lessons we will only provide the walking transportation from Bethesda and back the session of June 23<sup>rd</sup> through July 4<sup>th</sup>.

Activity fee- The activity fee for the summer is a one time fee of \$95.00 and is considered registration for the summer. This fee covers the costs of field trips and is required to hold your child's spot for the summer. A Bay Village pool pass is also required if your child will attend Bethesda on Tuesday and Thursdays. The Bay Village Recreation Department charges \$40.00 for student's ages 2-5 and \$56.00 for students 6-18. The passes can be used throughout the summer anytime and needs to be purchased at the Bay Village Recreation Department. The pool pass prices listed are only good until May 5<sup>th</sup>.

Additional Activities: We will be offering language classes, karate classes, sports class and gymnastics classes. These classes will run depending on enrollment numbers and are an extra cost from the activity fee and tuition.
